APPLE BABY CAT
by little thunder

You know, I love these girls with slender waists that you can hold with just one arm.
You should watch what you eat a bit.
It really is an embarrassment in front of my friends sometimes.
But Ashan, I'm not eating that much at all, am I...?
Here! Bang!
?

MASK

No, I'm not fat!
Somehow, it still looks as if I'd gained weight...
Imagination
!!
That's enough. I won't eat anymore.

馬蘭中學
MA LAN SECONDARY SCHOOL
Great, school's out!
GROWL
I HAVEN'T EATEN ANYTHING ALL DAY LONG. I'M SO HUNGRY...
AND YET I FEEL...
...EVEN MORE BLOATED THAN YES-TERDAY.
WHAT TO DO?
Bam!

Hi, sis.
It's not good for you to starve, you know?
Huh? What's that?
I'm an apple baby cat.
If you really want to lose weight...
...you should just eat me. You'll see, it works.
But if I eat you, you'll die.
It's okay.
C'mon, we'll be around tomorrow, too.
If you eat me, there'll be millions more of my kind.

T/n: Chinese New Year's cake

So, how do you feel after a week on your new diet?
Excellent! I'm just eating one a day, and I'm full. And I feel incredibly energetic, too.

Mimi! No more classes for the day?
Xiao Lan!
What's up?
Hm, it's nothing...
Or, right! These days you somehow...
!?
Ashan!

Mimi?
!?
You...
Yes?
Look, I've lost weight! You're regretting something now?
Ashan...
...don't tell me you were into that fatty before!
!?
Mimi, why are you getting fatter and fatter?

And now: the breaking news
Sudden disappearance of the apple baby cats
Many apple baby cats have escaped from the zoo. They look cute and tempt us humans into eating their meat
Be cautious! The apple baby cats' meat is extremely rich in calories and has a high level of cholesterol. Above all, repeated consumption of it might be deadly.
There have been hallucinogenic effects observed after it is consumed, too. For example, the idea of being slimmer and more beautiful...

Don't let it fool you!
